Wholesale Price List

WM. FLEMER'S SONS
Proprietors also of the
F. & F. NURSERIES
Springfield, N. J.

Members American Association of Nurserymen.

Eastern Nurserymen's Association.

New Jersey Nurserymen's Association.

All quotations, prices, contracts and grading are based on HORTICULTURAL STANDARDS adopted by the American Association of Nurserymen June 1923.

Standardized Plant Names 1923 has been followed in compiling this price list.

Use the Nurserymen's Telegraf Code 1923.

PRICES

Prices are as low as is consistent with the market, taking into consideration that the stock offered is of the best quality, carefully grown with ample room for full development. Princeton grown stock must not be compared with poorly grown plants often offered.

Prices subject to change without notice, and limited to the Fall of 1923.

CREDIT

To established nurserymen known to us a credit of 60 days from date of invoice will be allowed. Cash before shipment is required from parties unknown to us and in these cases no charge is made for boxes or bales.

LIABILITY AND CLAIMS

We are not liable for injury to stock from frost, hail, fire, or other causes beyond our control, and book all orders with this understanding. Errors made by us will be gladly corrected, but complaints must be made within a reasonable time after receipt of stock.

Plants become your property upon delivery to transportation company, and we cannot be responsible for loss, damage, or delay in transit.

NON-WARRANTY

We endeavor to keep varieties true to name and will replace any not true; but we do not in any way guarantee the success of the grower. In event of stock not being true to name, our liability is limited to the invoice value at the time of shipment.

Princeton Nurseries employ no agents.

All stock offered herein is grown on our own nurseries under our own direct supervision.

PACKING

Bales and Boxes charged at cost. No extra charge is made for stock packed in full carlots. Boxes are made in the following sizes:

31 in. x 36 in.—10 ft. long.....	\$6.00
28 in. x 32 in.—10 ft. long.....	5.50
23 in. x 28 in.—10 ft. long.....	5.00

DECIDUOUS SHRUBS

Our methods of lining out and cutting back insure the kind of full bushy plant which really is the standard of excellence—a young, thrifty shrub, graded liberally.

Nearly all shrubs are dug with a tree-digger insuring you good roots not mutilated.

We can offer the following own-grown stock.

Tell us what you have difficulty in locating.

What else can we grow for you, and how many do you use a year?

EVERGREEN TREES AND SHRUBS

Princeton Evergreens have been transplanted several times. Each time they have been given ample room for compact growth. Every one is sheared into a symmetrical shape. No "run of the row" here, but each one trained in the way it should grow—a specimen.

Freshly dug in the nursery for your individual order.

Balled and burlapped unless marked with an (*).

TOOLS AND SUPPLIES

At the urgent request of several of you, we are listing here a few of the many tools and supplies which our experience has proved to be the most economical and practical. Only those things are listed which we ourselves are using.

This Department is a new departure for us, and to the few things here mentioned, others will be added as soon as possible. These tools are listed for your convenience, not for our profit.

Your order will help us determine just how to serve you best. Criticisms, and suggestions as to what you would like us to list will be appreciated.

PRICES are F.O.B. our nursery and subject to change without notice.

TERMS are Net Cash, since we have had to pay for these upon their receipt.

SHIPMENT will be made with order for nursery stock wherever possible. Otherwise, cheapest way.

LABELS

BLANK WIRED LABELS

3½ inch, painted one side, wired.

Put up in compact packages of 1,000 each.

Iron wired..... \$2.00 per thousand

Copper wired..... 2.30 per thousand

For smaller quantities, add 10%.

For larger quantities ask price.

PRINTED SHRUB AND FRUIT LABELS

2½ inch, copper wired.

Tied in bundles of 100 each variety.

20c per bundle.

Order by hundreds, giving names of plants for which they are wanted. Smaller quantities, add 10%. Special prices by thousands.

NATURAL RAFFIA

AA Westcoast Brand. Best obtainable, but worth its cost.

Long, strong strands that mean the most number of ties per piece.

1 lb. and up..... \$.30

10 lbs. and up..... .22 per pound

25 lbs. and up..... .15 per pound

Prices on larger quantities on request.

SPADES

Our experience with Spades has been long and various, but out of all of these we have found two styles to be the most economical and practical for general nursery work.

For Stony Soils

Heavy Spades, D-handle, double strapped, tapered, black iron finish. \$3.00 each

For Light Soils

Light Spades, D-handle, double strapped, black iron finish, \$2.50 each.

PLANET JR. HORSE AND HAND CULTIVATORS

We use Planet Jr. Tools exclusively at the Princeton Nurseries, and find the following types especially suited to our purposes around the nursery.

No. 12. Double Wheel Hoe, with gardener's attachments. Price \$10.00.

No. 17. Single Wheel Hoe, with attachments. Price \$6.50.

We use these Hand Wheel Hoes when planting our seed beds, and when the seeds have grown, these Hoes keep cultivating them until they are finally transplanted into nursery rows.

Very good for beds and transplant frames without sides. Can be used anywhere there is room enough for a man to walk.

NO. 9 HORSE HOE

No. 9 HORSE HOE, cannot be beat for all round work. Width easily changed. Handles adjustable.

Price \$15.00 as illustrated.

NO. 77-D CULTIVATOR

No. 77D All steel Riding cultivator. Perfectly balanced, no weight on horses except the forward pull. Clear view of row being cultivated, no ratchets or axles to obstruct your sight. $32\frac{1}{2}$ " clearance under frame allows cultivation of quite large stock.

Price \$75.00 as illustrated. Extra attachments can be supplied if desired.

Constant cultivation with these machines saved us thousands of dollars this summer when we had one of the worst droughts on record.

NO. 90 12-TOOTH HARROW WITH PULVERIZER

No. 90 12-TOOTH HARROW is surely the ideal cultivator for the nurseryman. Wide rows, narrow rows. Big stuff, little stuff. It is all the same for this little machine.

The chisel shaped teeth and pulverizer work up the finest possible dust mulch against the hot dry summer days.

Depth regulated instantly. Cultivates any width from 12 to 32 inches equally well. You can't afford to be without at least one of these.

Price \$15.00 as illustrated. Wheel and Pulverizer may be omitted if desired.

Freight and Express

A Pennsylvania Railroad siding at our packing shed enables us to make shipments to all points with minimum exposure, both carloads and less.
